Part 5 – Health questionnaire

Answer all questions accurately and completely for each applicant. Blue Shield relies upon the information you provide in your application to determine whether you are eligible for coverage. While we may review your medical records in certain instances, do not assume we will review your medical records before issuing coverage. Blue Shield has the right to rescind your coverage if your answers are intentionally and materially inaccurate or incomplete. If coverage is rescinded, this means that you may lose coverage back to the original effective date. If your coverage is lawfully rescinded, Blue Shield may have the right to seek repayment from you for medical expenses that we already paid. You should be aware that we can and do review medical records in certain situations after a health services contract/policy has been issued to determine whether material facts were misrepresented or omitted on the application. It is therefore very important that you make every effort to answer all questions accurately and completely. Please note that even if you currently have coverage, or had prior coverage, with Blue Shield you must answer all questions in this health questionnaire. Your obligation to disclose medical information includes the obligation to disclose to Blue Shield any new or changed medical information arising after submission of this Application but before your enrollment date. Any failure to disclose new or changed information may result in rescission of your contract/policy, if that information would have been material to the issuance of coverage.

HIPAA Guaranteed Issue Plans: If you are applying for both HIPAA guaranteed issue coverage and an underwritten plan, complete the entire application. If you are applying for HIPAA guaranteed issue coverage only, complete parts 1-4, 6-8, and 10-11 (do not complete this Part 5). See Part 8 for more information.

All questions must be answered. Check (✓) "Yes" or "No." Complete details of any "Yes" answer must be given in Part 5(b). **Where indicated below for questions 1 through 15, please print the first name of each individual applying for coverage.** Initial any changes/corrections you may make. If you do not understand a medical term being used, or are not sure whether you have or had a medical condition listed on this application, do not answer "No." Speak to your doctor or otherwise take steps to understand what the question means before answering. If you otherwise need help filling out the application, call Blue Shield at **(800) 431-2809**, or contact your agent. If you still aren't sure or don't recall if you have or had a listed medical condition, answer "Don't know" and then explain the answer in Part 5(b). **NOTE** – Each "Yes" or "Don't know" answer must be explained in Part 5(b) or the application will be deemed to be incomplete. Part 6 – Authorization for release of information

By signing this form you are authorizing the release of your and/or your dependents' healthcare information by a healthcare provider, insurer, insurance support organization (which includes consumer reporting agencies, MIB Group Inc and Milliman Inc), health plan, or your insurance agent, to Blue Shield of California or Blue Shield of California Life & Health Insurance Company (collectively, Blue Shield) for the purpose of reviewing your application for Blue Shield coverage.

Right to revoke: I understand that I may revoke this authorization at any time by giving written notice of my revocation to Blue Shield. I understand that revocation of this authorization will not affect any action Blue Shield has taken in reliance on this authorization prior to receiving my written notice of revocation.

Part 7(b) – Authorizations, terms and conditions

Please read the following terms and conditions carefully. Each applicant age 18 and older is required to review the completed application and provide their own authorization and signature. Keep a copy of this application for your records.

1. **Application for coverage:** It is important to know that Blue Shield of California or Blue Shield of California Life & Health Insurance Company (as applicable) has the right to decline your application for coverage. Note: I understand that Blue Shield may use any medical information in reviewing my application, including any medical condition which occurs after the signature and submission of the application, and before a decision by Blue Shield is communicated. I understand that I must provide Blue Shield with any new information that arises after the submission of this application but before my enrollment with Blue Shield begins.
2. **First month's dues/premiums:** Blue Shield requires first month's dues/premium at the time of application submission. Attach a personal check or money order to this application in an amount equal to one month's dues/premiums; or to pay by credit card, complete Part 11. Find your estimated monthly dues/premiums in the rate book provided to you. Failure to submit full payment of dues/premiums will delay processing and the effective date of coverage. Please note that processing of your payment does not constitute approval of your application with Blue Shield or Blue Shield Life. If your application is not approved, your check or automatic payment authorization for your credit card or checking account will be destroyed.
3. **Dues/premiums:** Dues/premiums are to be paid by the due date. Coverage will be terminated for failure to pay dues/premiums in a timely manner as set forth in the *Health Service Agreement/Policy*.
4. **Effective date of coverage:** If your application is approved, Blue Shield will notify you of your effective date of coverage. If Blue Shield cannot honor your requested effective date, or is unable to issue coverage before your requested date, coverage will begin as soon as possible. If additional dues/premiums are owed, payment must be received within the time specified in the notice from Blue Shield to avoid changing the effective date. Any charges incurred for services received prior to your effective date or after termination of coverage are not covered.
5. **Acceptance of Application:** You understand that only Blue Shield can accept your application and approve coverage. Your agent or broker cannot approve this application for coverage or change any terms or conditions of coverage.
6. **Parents/guardians:** If you are the parent or legal guardian of an applicant who is a minor, please sign on behalf of the applicant at the bottom of this Part 7. As the parent or legal guardian, you are identified as the person who may make inquiries and act on behalf of the applicant regarding this coverage (as allowed by law). In addition, you are agreeing to assume all responsibility for dues/premiums payments and for following the terms and conditions for coverage.  - Parent or legal guardian only: _____ (name) or,
 - My designee _____ (include name and relationship) or,
 - Qualified medical child support order designee _____ (include name and relationship).
 - Mark this box if Blue Shield is to only make changes to the contract upon written request by the person identified above.
7. **Authorization for spouse/domestic partner to make changes:** If you are an applicant whose spouse/domestic partner is also applying for coverage, please specify if you authorize your spouse/domestic partner to make changes to the contract/policy on your behalf. You may discontinue this authorization at any time by sending a written request to Blue Shield. Yes No

To obtain this form go to blueshieldca.com and click on the Privacy link at the bottom of the page, or call **(800) 431-2809**.

You acknowledge and agree that failure or refusal to provide these documents or information may be cause to rescind or cancel your coverage.
11. **HIV or genetic testing prohibited:** No genetic information, including family medical history, and no information related to HIV testing should be provided. California law prohibits an HIV test from being required or used by a health insurance company or health care service plan as a condition of obtaining health coverage.

With my own signature below, I represent that the information provided in this application is complete and accurate to the best of my knowledge, and I understand and agree to the terms and conditions of coverage and the authorizations I have provided. Part 8 – Statement of Guaranteed Issue Eligibility if applying for a HIPAA guaranteed issue plan

If you do not qualify for an underwritten plan, Blue Shield offers an alternative that you may want to consider.

The federal Health Insurance Portability and Accountability Act (HIPAA) makes it easier for people in certain instances to maintain coverage if they lose existing group health plan coverage. Depending on your responses to the statements below, you may be eligible for guaranteed issue in accordance with HIPAA, and Blue Shield will automatically accept your application for one of its HIPAA guaranteed issue plans without medical underwriting. Each person on the application must meet HIPAA eligibility requirements to qualify for a HIPAA guaranteed issue plan. Please note that HIPAA guaranteed issue rates may be higher than those of Blue Shield's underwritten plans.

If you are applying individually for coverage on behalf of any dependents who are not eligible for a HIPAA guaranteed issue plan, their coverage will be subject to medical underwriting, except for children who were enrolled under any prior creditable coverage within 30 days of the birth or placement for adoption. A dependent child who is 25 years of age or younger or a dependent spouse applying for HIPAA guaranteed issue must complete a separate Statement of HIPAA Guaranteed Issue Eligibility (Blue Shield will accept copies of the Statement of Guaranteed Issue Eligibility). For additional applications or current HIPAA guaranteed issue plan rates, please contact your insurance agent, or call Blue Shield at **(800) 431-2809**.

Note: Children under the age of 19 are only eligible for a HIPAA guaranteed issue plan if applying as a dependent for family coverage because they are otherwise eligible for guaranteed issue coverage under CA state law.

Automatic Payment by debit from checking/savings account:

I authorize my plan, Blue Shield of California or Blue Shield of California Life & Health Insurance Company ("Blue Shield"), to initiate debits (and/or make corrections to previous debits, as necessary) to the bank account identified on this form on the payment date (or within 1 to 2 days before or after the payment date) and with the frequency set forth above for the purpose of payment of the monthly dues/premium owed for myself and any family members covered by Blue Shield. I also authorize my financial institution to reduce the balance of my account by the amount of such debits (and/or corrections to previous debits). I will maintain sufficient collected funds in my account for the full amount of each payment. If the automatic debit transaction ever fails (e.g., no funds are available), Blue Shield will mail a bill to me at my address on record and I will be responsible for making my payment by check or money order, along with a return item service charge.

If I am accepted at a different rate, the difference in dues/premium must be paid prior to the original effective date of coverage. Blue Shield will not automatically charge the difference in rate owed to the credit card without a separate authorization from the applicant.

Notice to Change/Cancel Required:

I will continue to be debited/charged the amount of dues/premium owed until I cancel this Automatic Payment authorization upon at least 10 calendar days notice before a debit/charge is to occur.
