

Classic PPO 2 (250/20/80/60)

In addition to dollar and percentage copays, members are responsible for deductibles, as described below. Please review the deductible information to know if a deductible applies to a specific covered service. Certain Covered Services have maximum visit and/or day limits per year. The number of visits and/or days allowed for these services will begin accumulating on the first visit and/or day, regardless of whether your Deductible has been met. Members are also responsible for all costs over the plan maximums. Plan maximums and other important information appear in *italics*. Benefits are subject to all terms, conditions, limitations, and exclusions of the Policy.

Explanation of Covered Expense

Plan payments are based on covered expense, which is the lesser of the charges billed by the provider or the following:

PPO Providers—PPO negotiated rates. Members are not responsible for the difference between the provider's usual charges & the negotiated amount.

Non-PPO Providers—For non-emergency services, the scheduled amount. For emergency services, same as other health care providers

Other Health Care Providers (*includes those not represented in the PPO provider network*)—The customary & reasonable charge for professional services or the reasonable charge for institutional services.

When using Non-PPO and Other Health Care Providers, members are responsible for any difference between the covered expense & actual charges, as well as any deductible & percentage copay.

Calendar year deductible for all providers	\$250/member; maximum of three separate deductibles/family
Deductible for non-Anthem Blue Cross PPO hospital or residential treatment center	\$500/admission (<i>waived for emergency admission</i>)
Deductible for non-Anthem Blue Cross PPO hospital or residential treatment center if utilization review not obtained	\$500/admission (<i>waived for emergency admission</i>)
Deductible for emergency room services	\$100/visit (<i>waived if admitted directly from ER</i>)
Annual Out-of-Pocket Maximums	
PPO Providers & Other Health Care Providers	\$2,000/member/year; \$4,000/family/year
Non-PPO Providers	\$6,000/member/year; \$12,000/family/year

The following do not apply to out-of-pocket maximums: deductibles listed above; non-covered expense. After a member reaches the out-of-pocket maximum, the member remains responsible for deductibles listed above; for non-PPO providers & other health care providers, costs in excess of the covered expense; amounts related to a transplant unrelated donor search.
